

PRAYER GUIDE

Depending on God - Psalm 65:5

Oh God. Our God. You are Holy, Majestic, Awesome, Mighty. There is so much to praise you for Father. Holy, Holy, Holy is the Lord God Almighty. Thank you for this time, these days, and the gift of choosing to follow Jesus. Thank You for answering us with awesome deeds of righteousness, O God our Savior (Psalm 65:5). We see the Spirit moving and we cry out for more as we sing Your praises. Father, I pray you would renew a steadfast spirit within (NAMES) and drive each one to a deeper dependence on you. Let the door be closed repeatedly to cooperating and taking the step toward sin. But when there is temptation, You will provide a way out so we can stand up under it. (1 Corinthians 10:13) May each of those we call out to you and the next generation hold each other accountable for speaking truth to each other. Oh Lord, we are all like sheep that have gone astray – there is only one atonement for that iniquity, and it is Jesus. The precious blood of Jesus. May we cry out for you now more than ever our Savior and King. Amen.

Our Banner - Exodus 17:15

Father. We pray for those in leadership on college campuses being persecuted for speaking the truth of Jesus. We pray for the freedom of speech and for the protection of constitutional rights. We pray as all eyes are focused on the glory and the revivals spurring across college campuses that no harm would come to those proclaiming your Great Name. May we continue to speak the name of Jesus boldly. And in the midst of trouble as we cling to you and trust in you lifting the Banner of YAHWEH. Jehovah Nissi. In Jesus Name. Amen.

Repentance - 1 Corinthians 10:13

Praise You for your faithfulness. Thank you that you have given us the Truth and THE instruction book beyond comparison. Oh Lord, I pray they will continue to hide your word in their hearts so they might not sin against you. (Psalm 119:11). I pray they will remember and stand firm in their choices. I love your word and instruction Lord that tells us you will provide a way out to stand up under sin (1 Corinthians 10:13). May they use the extra hours of the weekend to rest, restore, refresh, and tune into YOU. Oh Jesus, how can we thank you for standing in the gap for us? Thank you, Father, for hearing our prayers in Jesus Name, Amen.

Things Above - Colossians 3:2

All month prayer has been focused on “the mind.” And now I am more and more pressed in to pray in His matchless Name for (Names) set their minds on Christ, the things that are above and not the things of this earth (Colossians 3:2). Oh, Jesus may they turn their eyes to you and know the more they do the more the things of this world will grow strangely dim in the light of your glory and grace. (Hymn: Turn Your Eyes Upon Jesus). Oh Father, that they would turn to Your word to learn how to draw nearer to you in mind, heart, and soul. We must be alert and aware the enemy will seek to snatch this generation away. May we Father, oh may we be the example to this next generation as we remember they are Yours. Thank You, Lord. Thank you for showing us your Glory. We Praise Your Name above all names and come to You Jesus and ask these things, Amen.

Leadership - Psalm 90:17

Today's prayer is focused on the University, leadership, professors, administration, staff, security, coaches' campus ministers and all those who encounter our students. "Oh Father, we lift up these men and women in leadership. May they seek You for wisdom and discernment. May they choose wise words. Your word says, "the lips of the wise spreads knowledge." (Proverbs 15:7). I pray for wisdom in overseeing the tasks set before them, and that those who call you Father, would be bold and be of great courage. May the favor of the Lord rest upon (UNIVERSITY) and establish the work of our hands. (Psalm 90:17). In Jesus Name. Amen."

Persistent Prayer - Ephesians 6:18

Oh Lord, may our children and future grandchildren see You and Your incomprehensible ways as our strength. May we laugh at adversity and cling to each and every promise knowing that you can not lie and we can trust our hearts, souls and minds to you. Thank you Jesus for every woman who has chosen to gather to press on and not give up seeking all you have promised for the next generation. God Bless these mamas today and every day. Thank you Jesus. Amen

Exceeding - Ephesians 3:20

This weekend across all campuses I pray the students will be glorifying the ONE Name above all names. I pray the shout for Jesus will be the loudest battle cry heard in the stadiums. I pray that the fire of the Holy Spirit Spreads across our nation. YES LORD, in this next generation. They are weary and ready to take back enemy territory. I pray the words of their lips would be glorifying to YOU (Psalm 19:4). I pray for the churches and campus ministries. For solid, truth teaching to pour into their souls. I pray for a rising of mentors and leaders that claim You Jesus as Savior. We are so expectant because YOU ARE GOD and you promise to do abundantly more than we can ever, ever ask or think. (Ephesians 3:20). I pray the seeds planted sow deep and not one is lost or snatched away. I pray they would all know that when we speak the name of Jesus, He is our authority and that they spend time knowing Jesus, seek His ways and mind. THANK YOU, FATHER. THANK YOU. THANK YOU. For all who brought this event to Auburn. We pray expectantly in Jesus' Name. Amen.

His Peace - Isaiah 26:3

Father, Heavenly Creator, Marvelous Maker of Heaven, and Earth. You placed the stars in the sky, created the oceans and the mountains, the plains, and the valleys, all of it is YOUR design. Oh Father, I pray for our students: (NAMES) to lift their eyes to the hills and know their help comes from the Lord, the maker of heaven and earth (Psalm 121:1). I pray they would keep their minds stayed and focused on you. Your word tells us when our minds are at peace when we stay on YOU, fix our thoughts on You and trust in YOU. (Isaiah 26:3). Father God, stir their hearts to desire the mind of Christ, to know Your Son, Our Savior. To listen to His way and truth and desire Him above all earthly things. I pray for awareness on the campuses for safety. That as we all look down it gives the enemy an opening. It leaves us vulnerable and unaware. Stir an awakening in the hearts of the next generation to look up In Jesus Name. Amen

God's Power - Philippians 4:8

Lord God, today I ask for hope and strength to persevere. I pray for the strength that comes from your power. The mighty power of the one who split the seas and overcame death; strength to meditate on what is good, and true, and lovely (Philippians 4: 8). I pray for the lost sheep, that one person would come alongside and say, I am here to listen. I pray for the one act of kindness that can overcome loneliness. O Father, I pray in Jesus' Name, the name above all names, that each student would know that they are enough because they are formed by you, our most Holy God. You are EL Shaddai-God Most High. We trust you to exceed our expectations, Lord. In Jesus Name. Amen

Rest - Matthew 11:28-30

Lord, we pray for: (NAMES) to hear the words of Jesus and know that He calls us to come to Him for rest, to learn from our Savior and lay the burdens of our souls at His feet. Oh Father, so often we want to rush through what doesn't feel good, we want to push the anxiety away and make it go away. Jesus knew what was ahead for Him, he could have made it go away but that would have left each one of us without salvation. May all our hearts rest in the discomfort of the things of this world knowing He will shepherd and guide us, and that refreshment will come to our souls. And Father, I know it is the longing of every mama's heart that our students find godly friendships that draw them nearer to you. I am so thankful for those you have given to me. It took time Lord, and there was loneliness, but YOU promise to never leave or forsake us. Oh, we thank You for this community of praying mamas. Grow us each in our walk with You. In Jesus Name. Amen.
